#### VEGETARIAN FRIENDLY

#### GLUTEN-, LACTOSE- AND SUGAR-FREE

OB Complete® Premier is a prescription multivitamin/multimineral indicated for use in improving the nutritional status of women prior to conception, throughout pregnancy, and in the postnatal period for both lactating and non-lactating mothers.

#### CONTRAINDICATIONS

OB Complete® Premier should not be used by patients with a known hypersensitivity to any of the listed ingredients.

#### WARNINGS

**WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. KEEP THIS PRODUCT OUT OF REACH OF CHILDREN. In case of accidental overdose, call a doctor or poison control center immediately.**

#### PRECAUTIONS

Folic acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where vitamin B<sub>12</sub> is deficient. Folic acid in doses above 0.1 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurologic manifestations remain progressive. Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

The patient's medical conditions and consumption of other drugs, herbs, and/or supplements should be considered.

#### DRUG INTERACTIONS

OB Complete® Premier tablets are not recommended for and should not be given to patients receiving levodopa because the action of levodopa is antagonized by pyridoxine. There is a possibility of increased bleeding due to pyridoxine interaction with anticoagulants (e.g., Aspirin, Heparin, Clopidogrel).

#### ADVERSE REACTIONS

Adverse reactions have been reported with specific vitamins and minerals but generally at levels substantially higher than those contained herein. However, allergic and idiosyncratic reactions are possible at lower levels. Iron, even at the usual recommended levels, has been associated with gastrointestinal intolerance in some patients.

#### DESCRIPTION

OB Complete® Premier is pink tablet, imprinted "VP043".

#### DIRECTIONS FOR USE

One tablet daily or as directed by a physician.

#### HOW SUPPLIED

OB Complete® Premier is supplied in a carton of 30 tablets, packaged in 3 child resistant unit-dose blister cards of 10 tablets per card.

**Product Code: 68025-043-30**

#### STORAGE

Store at controlled room temperature 15°-30°C (59°-86°F) [See USP]. Protect from light, moisture and excessive heat.

#### KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.
